Dr. Colina  
You'll never  
know how much of  
us girls think of you.  
We enjoyed knowing  
you and having  
you teach us more  
than anyone I can  
think of. I hope  
I will always be  
able to see you  
and keep in touch.  
I'll be working in  
Charlotte so —  
Always remain as  
you are and  
love will follow  
you closely.  
Be Good and STAY  
Sweet.

Mr. Colina,

You just have no idea how much that one quarter you were with us meant. There is just no way I can put it into words. We learned, but we had fun at the same time, and this is something that none of our other instructors could do. I know I slept in class, but that was because I studied so much every night - Ha! Please don't ever forget us, because I will never forget you. Thank you for all of your friendship, knowledge, and help.

Love,

Sherry Nease
